**ILLINOIS**  
**SCHOOL**  
**REPORT**  
**CARD**

**GRADES : 9 10 11 12**

State and federal laws require public school districts to release report cards to the public each year.

Starting in 2009, charter school information is included in district statistics.

**STUDENTS**

RACIAL/ETHNIC BACKGROUND AND OTHER INFORMATION													
	White	Black	Hispanic	Asian/ Pacific Islander	Native American	Multi racial /Ethnic	Low- Income Rate	Limited- English- Proficient Rate	High Sch. Dropout Rate	Chronic Truancy Rate	Mobility Rate	Attendance Rate	Total Enrollment
<b>School</b>	81.4	1.1	14.9	2.1	0.1	0.4	14.9	1.5	0.9	1.8	7.6	93.7	1,292
<b>District</b>	73.8	0.7	19.5	2.9	0.1	3.0	20.2	9.7	0.9	0.7	7.5	94.8	4,215
<b>State</b>	53.3	19.1	20.8	4.1	0.2	2.5	42.9	8.0	3.5	3.7	13.5	93.7	2,070,125

**Low-income** students come from families receiving public aid; live in institutions for neglected or delinquent children; are supported in foster homes with public funds; or are eligible to receive free or reduced-price lunches.

**Limited-English-proficient** students are those students eligible for transitional bilingual programs.

**Mobility rate** is based on the number of times students enroll in or leave a school during the school year.

**Chronic truants** are students who are absent from school without valid cause for 18 or more of the last 180 school days.

**INSTRUCTIONAL SETTING**

## SCHOOL DISTRICT FINANCES

### TEACHER/ADMINISTRATOR SALARIES (Full-Time Equivalents)

Salaries and counts of staff are summed across a district based on the percentage of time that each individual is employed as a teacher or an administrator and may or may not reflect the actual paid salaries for the district.

### EXPENDITURE BY FUNCTION 2007-08 (Percentages)

REVENUE BY SOURCE 2007-08			
	District	District %	State %
Local Property Taxes	\$34,193,538	77.8	58.7

OTHER FINANCIAL INDICATORS				
	2006 Equalized Assessed Valuation per Pupil	2006 Total School Tax Rate per \$100	2007-08 Instructional Expenditure per Pupil	2007-08 Operating Expenditure per Pupil
District	\$208,050	4.08	\$4,772	\$10,140
State	**	**	\$6,103	\$10,417

\*\* Due to the way Illinois school districts are configured, state averages for equalized assessed valuation per pupil and total school tax rate per \$100 are not provided.  
**Equalized assessed valuation** includes all computed property values upon which a district's local tax rate is calculated.  
**Total school tax rate** is a district's total tax rate as it appears on local property tax bills.  
**Instructional expenditure per pupil** includes the direct costs of teaching pupils or the interaction between teachers and pupils.  
**Operating expenditure per pupil** includes the gross operating cost of a school district excluding summer school, adult education, bond principal retired, and capital expenditures.

## ACADEMIC PERFORMANCE

The number and percent of students taking the ACT are no longer reported since virtually every eleventh grade student takes the ACT as part of the PSAE.

\* Includes graduating students' most recent ACT Assessment scores from an ACT national test date or PSAE testing. Excludes the scores of students who took the test with special accommodations. State averages for ACT data are based on regular public schools and do not include private and special purpose schools.

HIGH SCHOOL GRADUATION RATE

## OVERALL STUDENT PERFORMANCE

These charts present the overall percentages of state test scores categorized as meeting or exceeding the Illinois Learning Standards for your school, district, and the state. They represent your school's performance in reading, mathematics, and science.

The 2007-08 school year was the first time that Limited English Proficient (LEP) students took the ISAT or PSAE (with accommodations) instead of the IMAGE test. Therefore, any comparisons with prior year's achievement levels for LEP students should be made with appropriate caution.

### OVERALL PERFORMANCE - ALL STATE TESTS

### OVERALL PRAIRIE STATE ACHIEVEMENT EXAMINATION (PSAE) PERFORMANCE

**PSAE PERFORMANCE**

These charts provide information on attainment of the Illinois Learning Standards. They show the average scores and also the percents of student scores meeting or exceeding standards in reading, mathematics, and science on PSAE.

**PRAIRIE STATE ACHIEVEMENT EXAMINATION (PSAE) - Average Scores**

PSAE scores range from 120 to 200.

**PRAIRIE STATE ACHIEVEMENT EXAMINATION (PSAE) - Percents Meeting or Exceeding Standards**

Number of students in this school with PSAE scores in 2009: 287

**PERFORMANCE ON STATE ASSESSMENTS**

Federal law requires that student achievement results for reading, mathematics, and science for schools providing Title I services be reported to the general public.

The Illinois Standards Achievement Test (ISAT) is administered to students in grades 3 through 8. The Prairie State Achievement Examination (PSAE) is administered to students in grade 11. The Illinois Alternate Assessment (IAA) is administered to students with disabilities whose Individualized Education Programs (IEPs) indicate that participation in the ISAT or PSAE would not be appropriate.

Students with disabilities have an IEP (No Child Left Behind Act). An IEP is a written plan for a child with a disability who is eligible to receive special education services under the Individuals with Disabilities Education Act.

Reading and Mathematics are tested in grades 3 through 8 and 11. Science is tested in grades 4, 7, and 11.

In order to protect students' identities, test data for groups of fewer than ten students are not reported.

**PRAIRIE STATE ACHIEVEMENT EXAMINATION (PSAE)**

The following tables show the percentages of student scores in each of four performance levels. These levels were established with the help of Illinois educators who teach the grade levels and learning areas tested. Due to rounding, the sum of the percentages in the four performance levels may not always equal 100.

Level 1 -- Academic Warning - Student work demonstrates limited knowledge and skills in the subject. Because of major gaps in learning, students apply knowledge and skills ineffectively.

Level 2 -- Below Standards - Student work demonstrates basic knowledge and skills in the subject. However, because of gaps in learning, students apply knowledge and skills in limited ways.

Level 3 -- Meets Standards - Student work demonstrates proficient knowledge and skills in the subject. Students effectively apply knowledge and skills to solve problems.

Level 4 -- Exceeds Standards - Student work demonstrates advanced knowledge and skills in the subject. Students creatively apply knowledge and skills to solve problems and evaluate the results.

<b>LEP</b>														
<b>Students with Disabilities</b>														
<b>Economically Disadvantaged</b>														

**Four Conditions Are Required For Making Adequate Yearly Progress (AYP):**

1. At least 95% tested in reading and mathematics for every student group. If the current year participation rate is less than 95%, this condition may be met if the average of the current and preceding year rates is at least 95%, or if the average of the current and two preceding years is at least 95%. Only actual participation rates are printed. If the participation rate printed is less than 95% and yet this school makes AYP, it means that the 95% condition was met by averaging.
2. At least 70.0% meeting/exceeding standards in reading and mathematics for every group. For any group with less than 70.0% meeting/exceeding standards, a 95% confidence interval was applied. Subgroups may meet this condition through Safe Harbor provisions. \*\*\*
3. For schools not making AYP solely because the IEP group fails to have 70.0% meeting/exceeding standards, 14% may be added to this variable in accordance with the federal 2% flexibility provision.
4. At least 90% attendance rate for non-high schools and at least 78% graduation rate for high schools.

\* Includes only students enrolled as of 05/01/2008.

\*\* Safe Harbor Targets of 70.0% or above are not printed.

\*\*\* Subgroups with fewer than 45 students are not reported. Safe Harbor only applies to subgroups of 45 or more. In order for Safe Harbor to apply, a subgroup must decrease by 10% the percentage of scores that did not meet state standards from the previous year plus meet the other indicators (attendance rate for non-high schools and graduation rate for high schools) for the subgroup. For subgroups that do not meet their Safe Harbor Targets, a 75% confidence interval is applied. Safe Harbor allows schools an alternate method to meet subgroup minimum targets on achievement.

## PLANNED IMPROVEMENT FOR THE SCHOOL AND DISTRICT

This is the final section of the school report card in which your school and district provide information below on areas of success and areas for planned improvement based on your school's improvement plan. (For report cards disseminated electronically, this information may be provided in a separate document due to differences in the software used. If you are unable to locate this document, please contact your local school or district office.)

The Wauconda High School community continues to celebrate the areas of success for our students' achievements along with looking for areas for improvement based on student needs. Listed below are the indicators of our "Areas of Success" and our "Areas for Planned Improvement".

### **Areas of Success**

- We had increases in the PSAE tested areas of Reading, Math, and Science in the total number of students who met or exceeded state standards. In addition, we remained above the state average in all areas. We had our highest in math for since 2002, our highest scores in reading and science since 2005.
- Our graduation rate (98.6%) was the highest in 8 years and it continues to remain high above the state average (87.1%), our graduation rate for Hispanic students was 94.1 % (76.8 state avg.), our graduation rate for students with disabilities was 90.3 (78.1 state avg.), and the graduation rate for economically disadvantaged students was 90.9% (76.6% state avg.).
- Our drop out rate continues to remain low at 0.9%
- Our ACT scores improved in all areas, with a composite score of 21.1, which is the highest since 2003, our math score was also 21.1. This is the first time we have had a score over 21 in math since all students have been required to take the ACT. We were above the state average in all areas.
- We have continued to see our scores stay near or above the state average in all areas over the last 7 years despite seeing a significant increase in our percentage of low-income students, which has risen from 7.3% in 2002 to a high of 14.9% this past year.
- 59 Wauconda High School staff members have completed CRISS (Creating Independence through Student-owned Strategies) training and are assisting other staff members with CRISS strategies so they can be incorporated in all curricular areas.
- All teachers and support staff at Wauconda High School are highly qualified as defined by the No Child Left Behind Act of 2001.
- We had a significant drop in the number of chronic truants from 8.2% in 2008 to 1.8% in 2009.

### **Areas for Planned Improvement**

- Wauconda High School will focus our school improvement efforts in the areas of reading and mathematics for all students. Staff will identify areas in all academic disciplines where reading and math strategies can be applied.
- Wauconda High School will utilize staff development time using the Whole Faculty Study Group process to either formulate a plan for improvement, by targeting students needs and having staff evaluate student performance, discuss teaching strategies and re-evaluate students to improve performance in the targeted areas, or utilize their professional development time to develop and evaluate common assessments to identify any gaps or overlaps in the curriculum and direct changes in instruction.
- The staff at Wauconda High School will continue utilizing the Illinois Learning Standards and the Assessment Frameworks to identify gaps in learning and improve our performance on the PSAE test.
- Wauconda High School will continue the use of tutorials during student resource periods to provide additional instruction in the areas of Math, English, and Science.
- Wauconda High School will continue utilize the use of the KeyTrain program throughout the curriculum to prepare students for the second day of the PSAE testing.
- The staff at Wauconda High School will investigate the implementation of a Freshman Academy to target identified students and improve their performance in the areas of reading and writing.
- Wauconda High School Staff will receive training on Academic Vocabulary and incorporate this professional development in all academic areas.
