Low-income students come from families receiving public aid; live in institutions for neglected or delinquent children; are supported in foster homes with public funds; or are eligible to receive free or reduced-price lunches.

IEP Students are those students eligible to receive special education services.

Limited-English-proficient students are those students eligible for transitional bilingual programs.

Mobility rate is based on the number of times students enroll in or leave a school during the school year.

Chronic truants are students who are absent from school without valid cause for 18 or more of the last 180 school days.

Total Enrollment is based on Home School.

** Due to the way Illinois school districts are configured, state averages for equalized assessed valuation per pupil and total school tax rate per \$100 are not provided.

Equalized assessed valuation includes all computed property values upon which a district's local tax rate is calculated.

Total school tax rate is a district's total tax rate as it appears on local property tax bills.

Instructional expenditure per pupil includes the direct costs of teaching pupils or the interaction between teachers and pupils.

Operating expenditure per pupil includes the gross operating cost of a school district excluding summer school, adult education, bond principal retired, and capital expenditures.

ACADEMIC PERFORMANCE

OVERALL STUDENT PERFORMANCE

These charts present the overall percentages of state test scores categorized as meeting or exceeding the Illinois Learning Standards for your school, district, and the state. They represent your school's performance in reading, mathematics, and science.

OVERALL ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT) PERFORMANCE

ISAT PERFORMANCE

These charts provide information on attainment of the Illinois Learning Standards. They show the percents of student scores meeting or exceeding Standards for the grades and subjects tested on ISAT.

PERFORMANCE ON STATE ASSESSMENTS

Federal law requires that student achievement results for reading, mathematics, and science for schools providing Title I services be reported to the general public.

The Illinois Standards Achievement Test (ISAT) is administered to students in grades 3 through 8. The Prairie State Achievement Examination (PSAE) is administered to students in grade 11. The Illinois Alternate Assessment (IAA) is administered to students with disabilities whose Individualized Education Programs (IEPs) indicate that participation in the ISAT or PSAE would not be appropriate.

Students with disabilities have an IEP (No Child Left Behind Act). An IEP is a written plan for a child with a disability who is eligible to receive special education services under the Individuals with Disabilities Education Act.

Reading and Mathematics are tested in grades 3 through 8 and 11. Science is tested in grades 4, 7, and 11.

In order to protect students' identities, test data for groups of fewer than ten students are not reported.

ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT)

The following tables show the percentages of student scores in each of four performance levels. These levels were established with the help of Illinois educators who teach the grade levels and learning areas tested. Due to rounding, the sum of the percentages in the four performance levels may not always equal 100.

- Level 1 -- Academic Warning - Student work demonstrates limited knowledge and skills in the subject. Because of major gaps in learning, students apply knowledge and skills ineffectively.
- Level 2 -- Below Standards - Student work demonstrates basic knowledge and skills in the subject. However, because of gaps in learning, students apply knowledge and skills in limited ways.
- Level 3 -- Meets Standards - Student work demonstrates proficient knowledge and skills in the subject. Students effectively apply knowledge and skills to solve problems.
- Level 4 -- Exceeds Standards - Student work demonstrates advanced knowledge and skills in the subject. Students creatively apply knowledge and skills to solve problems and evaluate the results.

Four Conditions Are Required For Making Adequate Yearly Progress (AYP):

1. At least 95% tested in reading and mathematics for every student group. If the current year participation rate is less than 95%, this condition may be met if the average of the current and preceding year rates is at least 95%, or if the average of the current and two preceding years is at least 95%. Only actual participation rates are printed. If the participation rate printed is less than 95% and yet this school makes AYP, it means that the 95% condition was met by averaging.
2. At least 85% meeting/exceeding standards in reading and mathematics for every group. For any group with less than 85% meeting/exceeding standards, a 95% confidence interval was applied. Subgroups may meet this condition through Safe Harbor provisions. ***
3. At least 91% attendance rate for non-high schools and at least 82% graduation rate for high schools.

* Includes only students enrolled as of 05/01/2011.

** Safe Harbor Targets of 85% or above are not printed.

*** Subgroups with fewer than 45 students are not reported. Safe Harbor only applies to subgroups of 45 or more. In order for Safe Harbor to apply, a subgroup must decrease by 10% the percentage of scores that did not meet state standards from the previous year plus meet the other indicators (attendance rate for non-high schools and graduation rate for high schools) for the subgroup. For subgroups that do not meet their Safe Harbor Targets, a 75% confidence interval is applied. Safe Harbor allows schools an alternate method to meet subgroup minimum targets on achievement.

PLANNED IMPROVEMENT FOR THE SCHOOL AND DISTRICT

This is the final section of the school report card in which your school and district provide information below on areas of success and areas for planned improvement based on your school's improvement plan.

(For report cards disseminated electronically, this information may be provided in a separate document due to differences in the software used. If you are unable to locate this document, please contact your local school or district office.)

AREAS OF SUCCESS

- Parental contact at Robert Crown School continues to be 100%.
- All Robert Crown staff, both teachers and support staff, is highly qualified as defined by the No Child Left Behind Act of 2001.
- In all State Tests, Reading, Math, and Science, Robert Crown's overall performance including IEP, LEP, and Economically Disadvantaged in 2012 remains at 88% above the state standards.
- In all areas of ISAT, reading, math, and science Robert Crown students exceeded state standards.
- 85% of the third grade students at Robert Crown met or exceeded state standards on the ISAT reading test, above the state average of 76.1%.
- 34.9% of the third grade students at Robert Crown exceeded on state standards on the ISAT math test above the state standard average of 29.9%.
- 85.8% of the fourth grade students at Robert Crown met or exceeded state standards on the ISAT reading test, above the state average of 76.%.
- 93.3% of the fourth grade students at Robert Crown met or exceeded state standards on the ISAT math test, above the state average of 88.1%.
- 88.1% of the fourth grade students at Robert Crown met or exceeded state standards on the ISAT science test, above the state average of 79.8%
- 79.4% of the fifth grade students at Robert Crown met or exceeded state standards on the ISAT reading test, above the state average of 77.8%.
- 88.1% of the fifth grade students at Robert Crown met or exceeded state standards on the ISAT math test, above the state average of 83.6%.
- Robert Crown School made Adequate Yearly Progress (AYP) in all areas except LEP and Students with Disabilities.
- Formative assessments ex: ISEL, AIM, MAP are utilized to drive literacy instruction for all students.
- All staff members and students participate in Positive Behavior Intervention Support (PBIS) initiatives designed to improve student behavior.
- All K-5 students have been benchmarked using curriculum-based measurement, examples: Aims Web and MAP, in order to identify needs for interventions and to improve students' academic performance. Identified students receive tiered interventions.
- All teachers are members of Whole Faculty Study Groups focusing on raising students' academic achievement as well as school wide and classroom behavior.

Areas of Planned Improvement

- In all grade levels Robert Crown will focus on improving reading, math, and science scores of students with diverse ethnic backgrounds.
- In all areas tested Robert Crown needs to focus on improving scores of students with disabilities in all grades.
- In all areas tested Robert Crown needs to focus on improving scores of economically disadvantaged students.
- Continue using ISEL, Aims Web, and MAP testing to progress monitor students and use appropriate diagnostics to determine interventions and continue to schedule intervention times for each grade level.
- All staff will implement the new CCSS for mathematics using instruction encompassing the 5 modalities to increase student achievement in mathematics.
